

# IMA-EURO Stationing ROC Drill

## MWR Division

### 1. What we do for the Garrisons

#### a. Personnel issues

- i. Stop Loss policy is being staffed
- ii. U'R/IMA-E follow-on assignments are being used in the meantime
- iii. Flexible NAF version of Priority Placement is also being generated
- iv. Continue to recruit and hire APF positions in non-enduring locations

#### b. Cash, Property, and Contract issues

- i. Checklists are available on the USAREUR Transformation website
- ii. Region staff are available for guidance

### 2. What we need from the Garrisons

- a. Updates to records (TDA, PRD, Property book, Inventory, Cash, Contracts)
- b. Notify Region functional POC as soon as facility is slated for closure so we can help manage the transition of personnel, property, merchandise, and cash

# IMA-EURO Stationing ROC Drill

## MWR Division (cont'd)

### 3. Way Ahead

- a. **MWR will maintain an equitable level of service in each functional area until full installation closure**
- b. **Garrison Commanders have responsibility to maintain or close MWR facilities based on the needs of the local population**
- c. **Timing of facility closure is predicated on customer demand, availability of staff and resources, and the SMC prerogative to sustain an environment of wellbeing for the remaining military community**
- d. **Region MWR functional POCs:**
  - i. **ACS—Lynn McCollum, 370-8063**
  - ii. **CYS—Cherri Verschraegen, 370-8178**
  - iii. **Recreation—Dan Gasparino, 370-8636**
  - iv. **Business—Dave Mattingly, 379-7660**
  - v. **Financial Management—Mary Schweitzer, 370-6877**
  - vi. **NAF Property—Beverly Bennett, 370-7956**
  - vii. **Lodging—Rondale Witcher, 379-6557**
  - viii. **NAF Contracting—Phil Carney, 483-8043**
